Pros:

- Rugged
- Fast
- Designed for Warehouse use
- IP67 Sealing (Dust and Water tight)
- Corning Gorilla Glass 2 Touch Panel and Scanner Window
- 4.7" screen
- 6 foot multiple drop onto concrete rating

Cons:

- Price
- No physical keyboard

The Zebra TC70 is the most popular device ScanForce installs. Designed with the warehouse environment in mind, this is the top choice for most of our clients. The screen is big and clear, and made to respond to touch even in a dirty environment. ScanForce programs run extremely fast on these handheld scanners.

Accessories

Single Cradle Kit	\$215	\$181
4-Slot Charge Only Cradle Kit	\$406	\$362
Snap-On Trigger Handle	\$150	\$140
Fabric Holster	\$25	\$20
Rigid Holster	\$30	\$24
Spare Battery	\$75	\$63

Pros:

- Rugged
- Fast
- Designed for Warehouse use
- Physical keyboard
- IP54 Rating
- 4 foot multiple drop onto concrete rating

Cons:

- Slower than Android/iOS Devices
- Small screen 3.5"

The MC55 has been around for years and has been the go-to device for countless ScanForce customers. Designed for warehouse operations, this device can take the day-to-day wear and tear and continue to function. This device has a physical keyboard, allowing users to 'punch' actual buttons instead of the virtual keyboard of the Android and the iOS devices.
